comments Starchiness kept very low - that's normally something I hate about NEIPA, but this is so clean in comparison.

comments Damn you for making me revisit my prejudices about the style! Delicious and at 3.7% this is brilliantly executed.

comments Some chlorophenols here, hinted at by a touch of cleaning products in the aroma. A bit tannic also. Solventy / chloro finish is quite negative for me.

comments Perhaps this was a bad bottle. The hops in the ~~fin~~ finish kept the chloro / cleaning products taste in the mouth so made this harder to drink, I'm afraid.

The other side of the table probably had a better bottle of this.
